| <div>DESCRIPTION</div> <div>Uline H5440 manual hydraulic straddle stacker. Unloaded. Perspective 2. Step-wise vertical ascent to near-maximum height, featuring intermittent joystick clicks, electric motor servo-like whines, and distinct mechanical motor stops with each burst. Recorded in a small company garage in mono using a DPA 4015A.</div> <div>KEYWORDS</div> <div>Uline, H5440, Straddle Stacker, Straddle Stacker, Forklift, Pallet Jack, Industrial, Machine, Mechanical, Heavy, Metal, Shop, Facility, Unloaded, Stepwise Ascent, Vertical Ascent, Near Maximum Height, Near Max Extension, Raise, Ascend, Upward, Incremental, Intermittent, Forks, Hydraulic, Electric Motor, Motor Whine, Servo-Like Whine, Mechanical Whine, Joystick, Click, Intermittent Clicks, Burst, Short Burst, Motor Stop, Mechanical Stop, Start Stop, Repetitive, Rhythmic, Tonal, Harmonic, Mechanical Movement, SciFi, Futuristic, Robot, Mech, Machinery, Elevator, Transport, Foley</div> <div>Mechanical / Industrial   DPA 4015A   Private Business Garage</div>                                                                                           |                                                                                               |          |
